Concerns and Complaints

If you have a concern about your care, please contact us first so we can try to resolve it:

- Email: contact@teledirectmd.com
- Phone: (678) 956-1855

You may also file a complaint with any of the following at any time. Filing a complaint will not affect your care.

- New York patients: New York State Office of Professional Medical Conduct
- Patients in other states: your state medical board (find your board)
- Privacy complaints: U.S. Department of Health and Human Services, Office for Civil Rights (file a complaint)
