State-Specific Telehealth Disclosures

TeleDirectMD

Effective October 31, 2026.

1. About these disclosures

TeleDirectMD serves patients in 40+ states and Washington, D.C.

These disclosures add to our Telehealth Consent. The disclosures for the state you are physically located in during your visit apply to that visit. If this document conflicts with our Telehealth Consent or our Terms of Service, this document controls.

We list a state below when its law asks us to tell you something more than our Telehealth Consent already covers. If your state is not listed, the Telehealth Consent and our other patient documents apply to your visit, and your state's laws still protect you.

Visits are paused for patients located in Kansas and Wisconsin. We do not serve patients located in Arkansas, Massachusetts, New Mexico, Oregon or Rhode Island.

2. Which practice provides your care

Where you are during the visit	Practice that provides your care
California	Parth Bhavsar Medical Corporation, a California professional medical corporation
New York	Parth Bhavsar Medicine PLLC, doing business as TeleDirectMD
Texas	TeleDirectMD, PLLC, a Texas professional limited liability company
All other states we serve and Washington, D.C.	Mahavir Health Services LLC, a Georgia limited liability company, doing business as TeleDirectMD

Each practice is owned and controlled by Parth Bhavsar, MD.

3. Alabama

Law: Ala. Code §§ 34-24-701 to 34-24-704.

- Before your visit, we confirm your identity and the city and state you are in, and tell you Dr. Bhavsar's identity and credentials.
- Dr. Bhavsar will explain your diagnosis, what it is based on, and the risks and benefits of your treatment options.
- After your visit, we send you a written visit summary with follow-up instructions and when to seek emergency care.

- If you have more than four telehealth visits with us in 12 months for the same condition that has not resolved, Dr. Bhavsar will need to see you in person or refer you for in-person care.
- Care you receive while located in Alabama is governed by Alabama law, including the Alabama Medical Liability Act, and any claim about that care is heard in Alabama courts.

4. Alaska

Law: Alaska Stat. § 08.64.364.

- Dr. Bhavsar is available to provide follow-up care after your visit.
- Dr. Bhavsar is not your primary care provider. We ask whether you consent to us sending a copy of all records of your visit to your primary care provider, and we send them if you agree.
- We do not prescribe in response to an online questionnaire or email message alone. Every visit is a live video visit with Dr. Bhavsar.

5. California

Law: Cal. Code Regs., tit. 16, § 1355.4; Cal. Bus. & Prof. Code §§ 138, 2026, 2290.5.

NOTICE TO PATIENTS

Medical doctors are licensed and regulated by the Medical Board of California.

To check up on a license or to file a complaint go to www.mbc.ca.gov, email: licensecheck@mbc.ca.gov, or call (800) 633-2322.

- Before your visit, we tell you that your care will be given by telehealth and ask for your consent, and we document your consent in your medical record.
- Your California intake form shows this notice, with the Medical Board of California's QR code, directly above the line where you sign. When you sign and date it, you confirm that you received and understood this notice and that you understand Dr. Bhavsar is licensed and regulated by the Medical Board of California. We keep the signed notice in your medical record.
- If you would like this notice in another language, tell us before your visit. The Medical Board of California publishes it in Spanish, Chinese, Vietnamese, Tagalog, Korean, Armenian, Farsi, Arabic, Russian, Japanese, Punjabi and Khmer.

6. Colorado

Law: Colo. Rev. Stat. §§ 12-240-107(1)(g), 12-240-142; Colorado Medical Board Policies 40-27 and 40-07.

- Dr. Bhavsar holds a Colorado medical license, which Colorado requires for care given to a patient located in Colorado.
- Dr. Bhavsar evaluates you and reviews your history before treating or prescribing. We do not treat or prescribe based on an online questionnaire alone.

- If your care calls for an emergency room or other acute care facility, Dr. Bhavsar will give you a plan for getting there.
- Your record, including this consent, is available to you on request at contact@teledirectmd.com.
- **If our practice closes:** you can get a copy of your records by emailing contact@teledirectmd.com. Before closing, we will tell you by email how to get your records and who will keep them.

7. Connecticut

Law: Conn. Gen. Stat. §§ 19a-906, 19a-920.

- Before your visit, we ask whether you have health coverage and tell you the cost of the visit.
- If you book a self-pay visit, the fee is $79. We show you this fee and ask you to agree to it before your visit.
- For insured visits, we do not require you to keep a card on file.
- Before every visit, we give you Dr. Bhavsar's Connecticut license number and our contact information. You can also ask for the license number at any time at contact@teledirectmd.com.
- We ask whether you want us to send your visit records to your primary care provider, and we send them if you agree.
- We do not charge a facility fee.

8. Delaware

Law: 24 Del. C. §§ 6001 to 6005, 1761.

- Before your visit, we confirm your identity and location and tell you Dr. Bhavsar's identity and credentials.
- Dr. Bhavsar will discuss your diagnosis and treatment options, including their risks and benefits, and make sure you have follow-up care.
- After your visit, we send you a written visit summary.
- If Dr. Bhavsar closes the practice, stops serving Delaware, or ends our care relationship with you, and your records are not being transferred to another physician licensed in Delaware, we will tell you at least 30 days before care ends. The notice will say how to get a copy of your records, the date care ends, and the name, phone number and address of other providers in your area who may accept new patients. We send it by first-class mail, and also by a message through your patient portal if you use one. If the practice closes, we also tell the Delaware Board of Medical Licensure and Discipline how former patients can get their records.

9. District of Columbia

Law: 17 DCMR § 4618.

For urgent questions after your visit that are not emergencies, email contact@teledirectmd.com or call (678) 956-1855. For emergencies, call 911.

10. Florida

Law: Fla. Stat. § 456.47.

- Florida allows Dr. Bhavsar to diagnose and treat based on the telehealth evaluation when the standard of care allows it.
- Florida law treats care you receive by telehealth as given where you are located during the visit or in your Florida county of residence.

11. Georgia

Law: Ga. Comp. R. & Regs. r. 360-3-.07, r. 360-3-.02; O.C.G.A. § 43-34A-6.

- Your physician is Parth Bhavsar, MD, board-certified in family medicine. For questions, contact us at contact@teledirectmd.com or (678) 956-1855. In an emergency, call 911, or call or text 988 for a mental health crisis.
- At the end of your visit, Dr. Bhavsar gives you clear follow-up instructions and tells you when to seek emergency care.
- Georgia asks Dr. Bhavsar to make diligent efforts to have you seen and examined in person at least once a year by a Georgia-licensed physician, physician assistant or nurse practitioner. Dr. Bhavsar will ask about your in-person care, help you find a Georgia clinician if you need one, and note these efforts in your record.
- We keep your records for at least 10 years after your last visit.
- You have the right to file a grievance with the Georgia Composite Medical Board. The Board's contact information is in our Georgia patient grievance notice, which is linked in your intake form and on our website.

12. Indiana

Law: Ind. Code § 25-1-9.5-7.

- If you consent, we notify your primary care provider of any prescription Dr. Bhavsar issues.
- After your visit, we send you a visit summary that lists every medication prescribed, with follow-up instructions.

13. Iowa

Law: Iowa Admin. Code r. 481-655.9.

Dr. Bhavsar verifies your identity, and you can verify Dr. Bhavsar's identity, license and credentials before care through the Iowa Board of Medicine's online license lookup. We do not treat or prescribe based on a questionnaire alone. When medically appropriate, Dr. Bhavsar identifies your primary care provider or medical home, or a clinician near you who can give any in-person care you need, and we send them a copy of your record.

Iowa asks us to tell you the following before your care:

1. **Services.** Live video visits for common non-emergency conditions and medication refills, for adults 18 and older.
2. **Contact.** contact@teledirectmd.com, (678) 956-1855, 113 S Perry St, Ste 206 #5077, Lawrenceville, GA 30046.
3. **Who provides care.** Parth Bhavsar, MD, board-certified family medicine physician, licensed in Iowa. No other clinician provides care through TeleDirectMD.
4. **Limits on drugs and services.** No controlled substances, no GLP-1 medications, no more than a 90-day total supply of any medication including refills, and no in-person, audio-only or message-only visits. See our Controlled Substance and Prescribing Policy.
5. **Fees and payment.** $79 for a self-pay visit, paid by card at booking. For insured visits, you pay your plan's copay, coinsurance or deductible. See our Financial Responsibility Policy.
6. **Financial interests.** Dr. Bhavsar owns the TeleDirectMD practices. Neither TeleDirectMD nor Dr. Bhavsar has a financial interest in any pharmacy, laboratory or product we recommend, and we do not have a preferred pharmacy.
7. **Appropriate uses and emergencies.** Telehealth is for non-emergency care. In an emergency, call 911. For a mental health crisis, call or text 988.
8. **Messages.** Use email for non-urgent questions only. We aim to reply within one business day. Never use email or text for an emergency.
9. **Who we share health information with, and why.** Your pharmacy, laboratories and other clinicians involved in your care; your primary care provider or medical home, and clinicians you are referred to; your health plan and our claims processor for insured visits; vendors that help us run the practice under agreements to protect your information; and others when the law requires. Our Notice of Privacy Practices explains this in full.
10. **Your rights in your health information.** You may see and get a copy of your record, ask us to correct it, ask for a list of certain disclosures, ask us to limit some uses, and file a complaint. See our Notice of Privacy Practices.
11. **Information we collect and tracking.** We collect the information you give us at booking and intake and what is discussed at your visit. We do not place analytics or advertising tags on our booking, intake, payment or patient portal pages. On our public web pages, Google Analytics and Google Ads measurement load only if you agree through our cookie banner, which asks you separately about collection and about sharing for advertising measurement.

You choose your pharmacy. Feedback and complaints. To give feedback on the quality of your visit, to see, add to or correct information you gave us, or to make a complaint, email contact@teledirectmd.com or call (678) 956-1855. You may also file a complaint with the Iowa Board of Medicine through its website.

14. Kansas (visits paused)

Visits for patients located in Kansas are paused. If you are an existing patient located in Kansas, email contact@teledirectmd.com and we will respond within one business day to help you get a copy of your records or a referral to local care.

15. Louisiana

Law: La. Admin. Code tit. 46, pt. XLV, §§ 7507, 7511.

- Before your first visit, we give you Dr. Bhavsar's name, Louisiana medical license number (340061) and specialty (family medicine), and our contact information: contact@teledirectmd.com, (678) 956-1855, 113 S Perry St, Ste 206 #5077, Lawrenceville, GA 30046. You can also check the license through the Louisiana State Board of Medical Examiners' online license lookup.
- Our Telehealth Consent tells you how to get follow-up and emergency care, how to get a copy of your records or have them sent to another provider, and what happens if the video connection fails. Our Notice of Privacy Practices explains how we handle your health information.
- Dr. Bhavsar is your physician for each TeleDirectMD visit, and no other clinician at TeleDirectMD takes part in managing your care. Your primary care provider, if you have one, remains responsible for your ongoing care.
- You may decline care by telemedicine, and you may withdraw from it at any time.
- We note in your record that you received these disclosures, and we tell you if any of them change.

16. Maine

Law: 02-373 C.M.R. ch. 11 (Joint Rule Regarding Telehealth Standards of Practice).

- Before your visit, we verify your identity and ask for an emergency contact or a phone number where we can reach you. You can verify Dr. Bhavsar's identity, license and credentials before care through the online license lookup of the Maine Board of Licensure in Medicine, which becomes the Maine Board of Medicine on January 1, 2027.
- When medically appropriate, Dr. Bhavsar identifies a clinician or location near you for any in-person care you need, and we send them a copy of your record.
- You can ask for a summary of any visit.

Maine asks us to tell you the following before your care:

1. **Services.** Live video visits for common non-emergency conditions and medication refills, for adults 18 and older.
2. **Contact.** contact@teledirectmd.com, (678) 956-1855, 113 S Perry St, Ste 206 #5077, Lawrenceville, GA 30046.
3. **Who provides care.** Parth Bhavsar, MD, board-certified family medicine physician, licensed in Maine. No other clinician provides care through TeleDirectMD.

4. **Limits on drugs and services.** No controlled substances, no GLP-1 medications, no more than a 90-day total supply of any medication including refills, and no in-person, audio-only or message-only visits. See our Controlled Substance and Prescribing Policy.
5. **Fees and payment.** $79 for a self-pay visit, paid by card at booking. For insured visits, you pay your plan's copay, coinsurance or deductible. See our Financial Responsibility Policy.
6. **Financial interests.** Dr. Bhavsar owns the TeleDirectMD practices. Neither TeleDirectMD nor Dr. Bhavsar has a financial interest in any pharmacy, laboratory or product we recommend, and we do not have a preferred pharmacy.
7. **Appropriate uses and emergencies.** Telehealth is for non-emergency care. Your visit depends on your device and internet connection, and Dr. Bhavsar cannot examine you in person. In an emergency, call 911. For a mental health crisis, call or text 988.
8. **Privacy and security risks.** No electronic system is completely secure, and some risk to your privacy remains when you use video, email or our website.
9. **Messages.** Use email for non-urgent questions only. We aim to reply within one business day. Never use email or text for an emergency.
10. **Who we share health information with, and why.** Your pharmacy, laboratories and other clinicians involved in your care; your primary care provider or medical home, and clinicians you are referred to; your health plan and our claims processor for insured visits; vendors that help us run the practice under agreements to protect your information; and others when the law requires. Our Notice of Privacy Practices explains this in full.
11. **Your rights in your health information.** You may see and get a copy of your record, ask us to correct it, ask for a list of certain disclosures, ask us to limit some uses, and file a complaint. See our Notice of Privacy Practices.
12. **Information we collect and tracking.** We collect the information you give us at booking and intake and what is discussed at your visit. We do not place analytics or advertising tags on our booking, intake, payment or patient portal pages. On our public web pages, Google Analytics and Google Ads measurement load only if you agree through our cookie banner, which asks you separately about collection and about sharing for advertising measurement.

You choose your pharmacy. Feedback and complaints. To give feedback on the quality of your visit, to add to or correct information you gave us, or to make a complaint, email contact@teledirectmd.com or call (678) 956-1855. You may also file a complaint with the Maine Board of Licensure in Medicine (the Maine Board of Medicine from January 1, 2027).

17. Maryland

Law: Md. Code, Health Occ. §§ 1-1001 to 1-1006; COMAR 10.32.05.04 to 10.32.05.06.

- We verify your identity with a government photo ID, or with your date of birth and home address.
- Your physician is Parth Bhavsar, MD, a licensed physician whose specialty is family medicine. Contact: contact@teledirectmd.com, (678) 956-1855.
- We ask for a second way to reach you in case the video connection fails.

- At each visit, we confirm that you are in Maryland. Please tell Dr. Bhavsar who is with you, and confirm that they may hear your health information. Dr. Bhavsar will tell you if anyone is present on our side.
- Before prescribing, Dr. Bhavsar evaluates you and explains the risks, benefits and side effects of the treatment.
- If a data breach ever affects your information, we will notify you.

18. Missouri

Law: Mo. Rev. Stat. §§ 191.1146, 334.108.

- Dr. Bhavsar holds a Missouri medical license.
- Dr. Bhavsar personally reviews your intake answers and verifies your identity and location before treating you.
- If you give us the name of your primary care provider, we send that provider a written report of your visit within 72 hours. Missouri requires this within 14 days. The report includes who you are, the visit date, the diagnosis and treatment, and any further instructions. You can leave the primary care provider field blank if you do not want a report sent.
- Your visit record is available to you, and with your consent to your other clinicians.

19. Nebraska

Law: Neb. Rev. Stat. § 71-8505.

Before your first visit, Nebraska law requires that you receive these statements in writing:

- You may refuse telehealth at any time. This will not affect your right to future care or treatment, or any program benefits you would otherwise receive.
- All confidentiality protections that apply to in-person care apply to your telehealth visit.
- You have access to all medical information from your visit.
- We will not share identifiable images or information from your visit with researchers or other outside parties without your written consent.

By checking the box in your Nebraska intake form, you give your written consent for us to share information from your visit with your pharmacy, laboratories and other clinicians involved in your care, your primary care provider if you ask us to, vendors that help us run the practice under agreements to protect your information, and your health plan and our claims processor for an insured visit. Any other sharing with researchers or outside parties needs your separate written consent.

You confirm that you have received and discussed these statements by checking the box in your intake form, or by telling Dr. Bhavsar during the visit.

20. New Hampshire

Law: N.H. Rev. Stat. Ann. §§ 329:1-c, 329:1-d.

- Before your visit, we verify your identity and tell you Dr. Bhavsar's name, our contact information (contact@teledirectmd.com, (678) 956-1855) and the type of license Dr. Bhavsar holds: a New Hampshire license to practice medicine as a physician (MD).
- We ask for your consent to telehealth before every visit.
- If you consent, we send your visit record to your primary care or treating provider when appropriate.

21. New Jersey

Law: N.J. Stat. §§ 45:1-61 to 45:1-66.

- At booking, we confirm your name, date of birth, phone number and address.
- Before your first visit, Dr. Bhavsar reviews your history and any records you provide.
- Every visit is with a physician. We do not use nurse practitioners or physician assistants.
- Dr. Bhavsar's identity, credentials and contact information are available when you book, during your visit and afterward.
- For at least 72 hours after your visit, you can reach us at contact@teledirectmd.com or (678) 956-1855.
- If you ask, we send your visit note to your primary care provider. If you do not have one, we can help you find one.

22. New York

Law: N.Y. Pub. Health Law §§ 2999-cc, 281; N.Y. Educ. Law §§ 6530, 6810; 8 NYCRR § 29.2; NYSED Office of the Professions telepractice guidance (standard of care).

- **Location and license.** You must be physically located in New York State during your visit, whether you live in New York or are visiting. Your physician is Parth Bhavsar, MD, board-certified family medicine, New York medical license no. 345804, licensed and registered through the New York State Education Department, Office of the Professions.
- **Practice.** For patients located in New York, care is provided by Parth Bhavsar Medicine PLLC, doing business as TeleDirectMD. Its principal licensee is Parth Bhavsar, MD.
- **Video visits.** Your visit is a live, real-time video visit, held to the same standard of care as an in-person visit. If your concern cannot be evaluated properly by video, Dr. Bhavsar will tell you and direct you to in-person or emergency care.
- **Payment.** Visits for patients located in New York are self-pay only, at a flat $79. We do not bill commercial insurance, Medicaid or Medicare for New York visits. If you have Medicare, including Original Medicare or any Medicare Advantage plan, please do not book a self-pay visit; see the Medicare section of our Telehealth Consent.
- **Prescriptions.** New York requires prescriptions to be sent to the pharmacy electronically. Any prescription from your visit is sent electronically to the New York pharmacy you choose.
- **Follow-up and records.** Dr. Bhavsar is available for follow-up on your visit. If Dr. Bhavsar is not your primary care provider, we ask whether you want a copy of your visit record sent to your primary care provider, and we send it if you agree.

- **Other New York notices.** Your New York intake form includes additional New York notices, including how to file a complaint with the Office of Professional Medical Conduct.

23. Ohio

Law: Ohio Rev. Code § 4743.09; Ohio Admin. Code r. 4731-37-01.

- Before your first visit, we verify your identity and that you are in Ohio, and we tell you Dr. Bhavsar's name and that Dr. Bhavsar holds an active Ohio license to practice medicine and surgery. We note this in your record.
- Dr. Bhavsar documents your consent to telehealth treatment in your medical record.
- Before we bill you or your health plan for the first time, we ask for your consent to bill for your telehealth visits. We ask only once.
- We do not charge a facility fee, an origination fee or any fee for the equipment we use to provide your visit.
- When it applies, we send your visit record to your primary care provider or to the provider we refer you to.

24. South Carolina

Law: S.C. Code Ann. § 40-47-37.

- Your physician is Parth Bhavsar, MD, board-certified family medicine, practicing from Georgia.
- At each visit, Dr. Bhavsar personally asks about your medical history.
- Dr. Bhavsar will talk with you about the value of having a primary care medical home and, if you ask, help you find one.

25. South Dakota

Law: S.D. Codified Laws § 34-52-3.

- At each visit, we confirm where you are located and, as far as reasonable, who you are.
- After your visit, we send you a visit summary.

26. Texas

Law: Tex. Occ. Code §§ 111.002, 111.005, 111.007; 22 Tex. Admin. Code § 177.2; Tex. Bus. & Com. Code § 552.051(f); Tex. Health & Safety Code §§ 181.102, 181.105.

- **Practice.** For patients located in Texas, care is provided by TeleDirectMD, PLLC, a Texas professional limited liability company.
- **Consent before every visit.** We ask for your consent to telehealth before every visit.
- **Fees.** Telehealth visits have fees. A self-pay visit costs $79. For insured visits, you pay your plan's cost-sharing.
- **Standard of care.** Your care is held to the same standard as an in-person visit.

- **Use of artificial intelligence.** We tell you before your first visit if an artificial intelligence system is used in your care. With your permission, an AI note-writing tool drafts your visit note, as our Telehealth Consent explains. Dr. Bhavsar reviews every note and makes all medical decisions.
- **Follow-up.** Dr. Bhavsar gives you instructions for follow-up care.
- **Primary care physician.** If you have a primary care physician and consent, we send a report of your treatment and diagnosis to that physician within 72 hours.
- **Getting your records.** To ask for a copy of your health records, email contact@teledirectmd.com, call (678) 956-1855, or write to TeleDirectMD, 113 S Perry St, Ste 206 #5077, Lawrenceville, GA 30046. Tell us which records you want and how you want to receive them. We confirm your identity before we send them. If you ask in writing for your electronic health record, we send it electronically within 15 business days, unless you agree to another form.
- **Contacting the licensing board.** The Texas Medical Board licenses and regulates physicians in Texas. Our Texas Medical Board complaint notice gives the Board's address, phone number and website for filing a complaint about a physician.
- **Filing a consumer complaint.** You may file a consumer complaint with the Texas Attorney General at texasattorneygeneral.gov/consumer-protection/file-consumer-complaint. For a complaint about the privacy of your health information, choose the Attorney General's privacy complaint form.

27. Utah

Law: Utah Admin. Code R156-1-602; Utah Code § 26B-4-704.

- **Before each visit,** we verify your identity and where you are.
- **Your choice of physician and pharmacy.** You choose to see Dr. Bhavsar; you are not assigned at random. You choose your pharmacy, and we do not limit that choice.
- **Fees.** There is no separate telehealth fee. A self-pay visit costs $79, paid by card at booking. For insured visits, you pay your plan's cost-sharing.
- **Who we share health information with, and why.** Your pharmacy, laboratories and other clinicians involved in your care; your primary care physician if you consent; your health plan and our claims processor for insured visits; vendors that help us run the practice under agreements to protect your information; and others when the law requires.
- **Your rights.** You may see, get a copy of, and ask us to correct your health information, and request a transfer of your records, including this consent. See our Notice of Privacy Practices.
- **Appropriate use.** Telehealth is not for emergencies. Call 911 in an emergency.
- **Security and data loss.** We use security measures intended to meet industry standards for health information. No electronic system is completely secure. Some risk to your privacy remains, and information could be lost because of a technical failure.
- **Who runs this website.** teledirectmd.com is owned and operated by Mahavir Health Services LLC, doing business as TeleDirectMD, 113 S Perry St, Ste 206 #5077, Lawrenceville, GA 30046, contact@teledirectmd.com, (678) 956-1855.

- **Follow-up.** To follow up, get your record or update information you gave us, email contact@teledirectmd.com. If you need in-person care, Dr. Bhavsar will refer you and note the referral in your record.
- **Your other health care provider.** If you have a primary care provider or another health care provider you want kept informed, we ask whether you want us to send that provider your visit record or a report that explains your treatment and Dr. Bhavsar's evaluation, and we ask for the provider's contact information. Unless you tell us not to send it, we send it within two weeks after your visit.

28. Vermont

Law: 18 V.S.A. § 9361.

- Telemedicine lets you see a physician from where you are. Its limits include no hands-on examination, possible technical interruptions, and the chance that Dr. Bhavsar will decide you need in-person care.
- No one else takes part in or watches your visit on our side unless we tell you first and you agree.
- Your visit is held over a secure connection.
- Neither you nor we may record the visit unless both of us agree. The AI note-writing tool described in our Telehealth Consent records the audio of your visit, so it is used only if you, and anyone else with you, agree.
- Your consent is documented in your medical record.

29. Washington

Law: Wash. Rev. Code § 18.134.040; Wash. Rev. Code ch. 19.373.

- Your care is held to the same professional standards as in-person care.
- We offer live video visits only. We do not offer audio-only or store-and-forward (asynchronous) visits. If you need an audio-only visit, we will help you find another provider.
- Our Consumer Health Data Privacy Policy explains how we handle consumer health data under Washington law. On our website, we ask for your consent before we collect consumer health data for analytics or advertising and, separately, for your consent before we share it. You can give one without the other.

30. Wisconsin (visits paused)

Visits for patients located in Wisconsin are paused. If you are an existing patient located in Wisconsin, email contact@teledirectmd.com and we will respond within one business day to help you get a copy of your records or a referral to local care.
